Reason why this Machine is Universally Preferred over All Others.

I Because it is the only Sewing Machine in the world ever invented, so constructed as to fully meet the demands of families for general

2 It is very simple and is never liable to get out of order. 3 It makes a seam which will not rip, though

every third stirch is our, 4 It is not a Shuttle Machine.

5 It sews with two needles, making any length stitch desired. 6 It sews from two ordinary spools, and thus all trouble at winding thread is avoided; while the same Machine can be adapted at

pleasure, by a mere change of spools, to all varieties of work. 7 The same M chine runs silk or linen thread, and common spool cotton, with equal 8 Tols Machine will sew in the sleeves of a

coat with the same ease and facility that it gews a streight seam. 9 This Machine can be run to make one thou and five hundred stitches per minute. 10 The scams are as clastic as the most clastie fabrie, so that it is f ee from all liability to
